DEAR BROTHERS! The masscaring gun- fire of Japanese imperialism in China, and the armament race of Japanese British and American imperialism for a predatory war ought to awake us from slumber. We are for peace and against predatory war but we can not enjoy the least bit of the blessing of peace so long as we are under the enslavement, exploitation and persection of British Imp. & Indian Congressmen. We must fight for the peace of our own with the national revolutionary war against British Imp. Dear Brothers, because the English Imp. oppressed us so far and no other way but revolutionary war can catch the complete independence of Indian country. We like no 2nd Big War but Revolutionary War. We oppose the Congressmen specially as Gandhif because he is the devil saint of Imp-Congressmen. And we must combine with the non-Indianpoors because they want same to fight down any Imp. and their running dogs. Brothers, by name of our Holy National Revolutionary War, join into Kirty Party to fight down the Imp.-Congressmen! Take the revolutionary war for the coming Wrold War! Anti-Imperialist & Pro-Communist Propaganda

Copies of a mimeographed handbill dated January, 1935, purporting to have emanated from the Anti-Imperialist League in Shanghai, were found by the Municipal Police outside Dixwell Road Station during the morning of February 14.

Apart from denouncing the alleged oppression and atrocities of the Japanese, British, and American Imperialists, the handbill exhorts the addressees to strive for the independence of India and to remove the enslavement, exploitation and persecution of British Imperialists and Indian Congressmen. Of the latter M. Gandhi is described as the "devil saint of Imperialist congressmen." The document concludes by urging the readers to oppose petty fines and to demand equal treatment with the British members of the S.M.C. as well as the dismissal of oppressive officers.
